

Birchwood Property Management Fall Clean-up Time

Birchwood Property Management serves the property maintenance needs of home owners in the Harbor Springs and North Lake Shore areas. Birchwood Property Management provides the services necessary to keep your fine home, cottage or condominium in a well maintained condition, as well as secure and worry free during your absence. The fall season is quickly approaching. It is time to schedule your fall clean up, cottage closing and winterization needs.

Our winter “**Home Watch**” program and 24/7 home monitoring ensures that your home is safe and cared for while you are away. Many insurance companies require a regular property “check-up” during the owner’s absence. Inquire with your insurer, then ask us how we can help. Call us today for information.
